

CHALK HILL

W. P. FOLEY II

2018

OUR STORY STARTED, in 1972 with a vision to plant grapes along the diverse terrain of Sonoma County's rolling hills. Our 1,300 acre estate is located at the convergence of a number of diverse climates, soils and terrains in the northeastern hills of Sonoma County. The complexity of the terroir enables our winery to produce an extraordinary range of wines from 300 acres of vineyards woven amongst the native oak woodlands, meadows and streams. To preserve the long-term viability of the ecosystem, all of our vineyards are maintained using low-input, sustainable viticultural practices.

To create this incredible blend, the best barrels from our top Cabernet Sauvignon, Malbec and Petit Verdot blocks were selected. The 2018 introduces rich notes of black cherry, cigar box, leather, and dark chocolate. This blend expresses silky tannins with a round finish on the palate. It is a deep, intense, powerfully built wine that captures the heart and soul of our stunning estate. I am proud to give this wine my name.
