

# CHALK HILL

2021  
W.P. FOLEY II

Our story started, in 1972 with a vision to plant grapes along the diverse terrain of Sonoma County's rolling hills. Our 1,300 acre estate is located at the convergence of a number of diverse climates, soils and terrains in the northeastern hills of Sonoma County. The complexity of the terroir enables our winery to produce an extraordinary range of wines from 300 acres of vineyards woven amongst the native oak woodlands, meadows and streams. To preserve the long-term viability of the ecosystem, all of our vineyards are maintained using low-input, sustainable viticultural practices.

Only produced in exceptional vintages, this incredible blend for our 2021 vintage was selected from the best barrels from our top Cabernet Sauvignon, Malbec and Petit Verdot blocks. The 2021 introduces rich notes of cigar box, dark fruit, black cherry, black currant, leather, and tea. This blend expresses smooth, velvety tannins with rich layers of complexity. It is a deep, intense, powerfully built wine that captures the heart and soul of our stunning estate. I am proud to give this wine my name.

- William P. Foley, Proprietor

## HARVEST
